The honor of Platinum recognition is revered in the Private Club industry and is an endorsement that Rehoboth Beach Country Club excels in each of the Seven Selection Criteria: *Universal Recognition, Excellence in Amenities and Facilities, Caliber of Staff and Professional Service Levels, Quality and Commitment of Membership, Governance and Prudent Fiscal Management, Adapting to Changing Times, and The Overall Experience.*

JOSEPH 'JJ' WAGNER
Escondido Golf & Lake Club
U.S.A.

The voting body that elects the Platinum Clubs of America, established in 1997, comprises General Managers, Chief Executive and Chief Operating Officers, Presidents and Owners across the nation. Acknowledgment as a Platinum Club of America is highly respected as Clubs are elected by their peers in the industry and provides Club Members with a great sense of pride.

CHRISTINE POOLER
Indian Creek Country Club
U.S.A.

Only 300 Platinum Clubs of America are recognized in the biennial election, encompassing five categories: Country, Golf, City, Yacht and Athletic Clubs. Inclusion in the Platinum family is a cause for celebration with your esteemed Membership and your Club's most valuable asset, the Staff. Each employee should be congratulated for their role in this outstanding award.

MATTHEW ALLNATT

In closing, I would also like to extend my personal congratulations and very much look forward to a future visit to Rehoboth Beach Country Club.

Mr. Michael MacDonald
Rehoboth Beach Country Club
221 West Side Drive
Rehoboth Beach, DE 19971

Dear Mr. MacDonald,

Professional recognition is one of the most satisfying achievements, particularly when the recognition comes from one's peers in their chosen industry. Your Leadership of Rehoboth Beach Country Club and the culture you have created with your Staff is one of the key components that has resulted in Rehoboth Beach Country Club's election to the prestigious family of Platinum Clubs of America 2021-22. A review of the Seven Selection Criteria, as approved by the Club Leaders Forum Advisory Board, calls for every aspect of your operation to be considered by the most discerning body of voters: your fellow General Managers, Chief Executive and Chief Operating Officers, Presidents and Owners across the United States.

Platinum status and acknowledgment are only possible when you have a dedicated team that embraces and supports your goals and leadership philosophies. Please share this message of congratulations with each of your Staff Members, acknowledging their tireless commitment to Excellence. Personally, you can be proud that you are one of only 300 Platinum Club General Managers in the nation.

On behalf of the Club Leaders Forum Advisory Board and Staff, please accept this letter of congratulations and kindly share your knowledge and experience with others in the industry who look to emulate your success.

Respectfully,

A handwritten signature in blue ink that reads "Dennis W. Burns".
